

No Show/Late policy

**Health and Wellness Coaching
ShabdSangeet Khalsa FMCHC
EssenceOfHealing, LLC**

To fully respect your time and ensure that you get the most out of each session, your coach schedules appointments with you ahead of time. We ask that you respect your coach's time as well. Please give **24 hours notice** if you need to cancel your session.

If you neglect to cancel 24 hours prior to your appointment time you will be charged for that session. If you are 15 minutes late, your coach has the option to cancel the session. If you are late for more than two sessions, your coach has the option to discontinue coaching sessions.

Thank you for your consideration.

I have read and understood the "No Show.Late" Policy as described above.
